

WOODSIDE
TOWN CENTER AREA PLAN UPDATE

Woodside Town Center Area Plan Update Citizen Advisory Committee Application

The Town of Woodside is updating its Town Center Area Plan (TCAP). A first step in the process includes the formation of a Community Advisory Committee (CAC) to ensure that the TCAP represents the viewpoints of the community. The CAC will provide input and guidance on key planning topics, including land use, circulation and parking, safe routes to school, economic development, design character, and community engagement strategies. The CAC will meet at least four times during the planning process to ensure that their insights and recommendations are represented.

The CAC will include representatives from several Town volunteer committees and property owners within the TCAP boundaries, as well as residents.

The Town Council is soliciting applications from Town residents who are interested in serving on the CAC. If you are interested, please submit this application. A Town Council subcommittee will select up to five applications to be considered by the Town Council for appointment at its regular meeting on July 8, 2025, at 7:00 pm, located at 2955 Woodside Road (Independence Hall).

Submit your completed application via email to jpaping@woodsideca.gov or by drop off to Town Hall no later than 5:00 p.m. on Friday, June 27, 2025.

If you have any questions, please contact the Planning Director, Sage Schaan at 650-530-3432, or by email at sschaan@woodsideca.gov.

For more information, visit www.woodsideca.gov/TCAP.
