OLD BUSINESS

- 1. Last meeting recap at Bucks: January 15th Jon approved before the Town Council. Lisa who was at the meeting said she can't join at this time.*
- 2. Coffee and cars: Bill*

CONTINUING BUSINESS

- 1. New member discussion and vote-can/should we add more than one? Not necessary at this time since Lisa withdrew her application.*

2. *Tennis lesson discussion-What's the final word and how do we follow up with this? Melissa talked to Portola Valley-They split their fees with the town. They have different options. The instructor needs their own insurance. Maybe someone on the committee can manage designated days and times. The school is ok with the instructors as long as the instructor has liability insurance. There must be signs up! In the spring the school has after class tennis. Bill will ask an instructor what she would like.*
3. *Tennis court maintenance update: The straps were replaced. The school said there is a broken and capped off water fountain. They will be installing new water fountains with bottle fillers.*
4. *Scoreboard for school field & field maintenance update-Bill - They agreed to spend \$\$\$ to redo the track and baseball field. Redo the dug outs & tracks. Nice to have shade in the stands. Redo the backstop, storage units and batting cages. It's temporarily fenced. Fall of 2026 measure E soccer field will be addressed.*
5. *Camping-No date was booked. Smaller sites? Everyone is booking. July is the soonest we can book. Try for July 11th it may be tricky. August would be better.*
6. *W-Ball-Michael to shadow Zack to take over. Logistics is time consuming, selecting kids on teams. Rowan and Michael will help. Michael got the schedule from Zack. Melissa will get the website up and running. Melissa needs dates and check with the school.*

NEW BUSINESS

1. *May Day Fun Run-(Saturday May 2nd) John will get the donuts and coffee.*

2. New ideas to discuss- Ice skating fall next year.

Meeting adjourned 6:45pm
