# WOODSIDE FIRE NEW CHIPPING PROGRAM

## We Need Your Help to make this Service More Successful

To make our Chipper Program more efficient and ensure timely service, we kindly ask you to reserve your pickup in advance. This will help us schedule routes effectively and provide better service to everyone. **MAKE A RESERVATION** for the Chipping Program to schedule service.

### WHAT YOU NEED TO KNOW:

- 1. Sign-Up Is Required:** To receive chipping services, you must [register](#) in advance.
- 2. Notification Process:** Once you sign up, you will be notified of your pick-up date via email. You can also opt-in for text notifications.
- 3. If there are two pickups available,** you can only sign up for 1 at a time. Once you have your first pick up, you can then go back and sign-up for your second pick up.
- 4. No More Mailers:** Mailers will no longer be sent to remind residents of pick-up dates.
- 5. Home Assessment Reports:** If you receive a home assessment report in the coming months, your pick-up date will be included in the report.

**Important Reminder: Your participation makes a difference!** If you do not sign up, the chipping service will not be provided
